PROFESSIONAL SUMMARY

Detail-oriented graduate (B.E., Computer Science) with 1+ year of professional experience in structured, deadline-driven team environments. Skilled in accurate data handling, document review, and clear written and verbal communication in English. Proficient in Microsoft Word, Excel, and Outlook, with experience in organized digital filing (OneDrive) and coordinating with team members and stakeholders to keep information accurate and up to date. Reliable, process-driven, and comfortable working fixed shift hours, including UK shift hours and the associated holiday schedule.

RELEVANT SKILLS

- **Data Entry & Accuracy:** 40 WPM typing speed with 98% accuracy, built through daily documentation and data-handling work.
- **Attention to Detail:** Habit of carefully reviewing documents and records to catch and correct errors before sign-off.
- **English Communication:** Strong written and verbal English from preparing clear documentation and coordinating with teams daily.
- **Microsoft Office:** Working knowledge of Word, Excel (data tracking and organisation), Outlook, and OneDrive.
- **Client & Team Coordination:** Comfortable liaising with colleagues, stakeholders, and clients to ensure smooth day-to-day operations.
- **Record Keeping:** Experience maintaining organised, accurate, and easily retrievable records.
- **Reliability & Schedule Discipline:** Consistent record of meeting deadlines in a structured team environment; adaptable to fixed shifts.
